Indianapolis Retirement Home Fund
Indianapolis, IN (fund organizations in Boone, Hamilton, Hancock, Hendricks, Johnson, Marion, Morgan and Shelby Counties)

The vision of the IRH Fund advances a society that values older adults and its goals for the increasing population of older adults are to:

- Promote overall health and wellness
- Ensure that the basic needs of the low-income are met
- Enable older adults to reside in the environments of their choice
- Provide life-affirming opportunities

2008 Criteria for Grant Requests

The IRH Fund was established with the following areas of interest:

- Health and Wellness - Health promotion and intervention programs for older adults.
- Basic Needs - Community-based efforts that provide emergency services, food, transportation, shelter, and elder violence reduction programs.
- Living Environment of Choice - Programs that enable older adults to remain in the living environment of their choice.
- Quality of Life - Programs that encourage older adults to utilize their talents and resources to improve the overall quality of their lives.

NOTE: The IRH likes to have a relationship with the organization prior to that organization submitting a proposal

DEADLINES: July 16, 2009
