

Opportunity Description Clinical Educator

Suburban Health Organization, a Westside Indianapolis physician and hospital network serving central Indiana, is seeking a part time Clinical Educator. This position will contribute to improving the overall clinical skillsets and quality of care through onsite education and training for multiple long-term care facilities across the state.

Qualified candidates should possess a RN license for the state of Indiana. Candidates should also possess a minimum of a Associates degree in nursing, (Bachelors preferred) 5+ years relevant clinical experience in long term care.

The Clinical Educator should exhibit the ability to organize, prioritize and multi-task while effectively communicating with all levels of customers; monitor clinical education needs of long term care facilities; contribute to the preparation of quality measure reports; assist with developing and preparing educational material and events; and collaborate with the facility leadership of skilled care facilities.
