After completing and submitting the evaluation, a Certificate screen will appear. All eligible credits will be listed. Please enter the credits you qualify for in the appropriate fields. For example, if you qualify for Social Worker Credits and Attendance Credits, you will enter the amount of time (in hours) that you participated in each field. If other credit options are available, but you only qualify for Attendance because you are not one of the professions listed, then only claim attendance. When done, click submit.
